

Honey Bee Puzzle : This puzzle has 9 blocks in different shapes and one tray. The goal is to fill the tray with these 9 blocks. This manual has 60 Puzzles in 3 difficulty levels. Easy, Normal & Hard. In Easy Puzzle, out of 9 blocks, the location of 6 blocks is predefined, and the remaining 3 blocks are to be filled on their own.

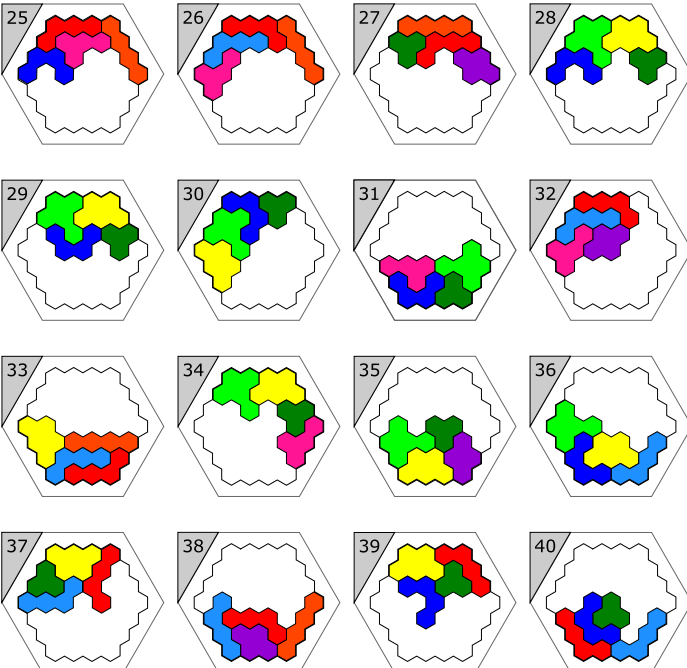

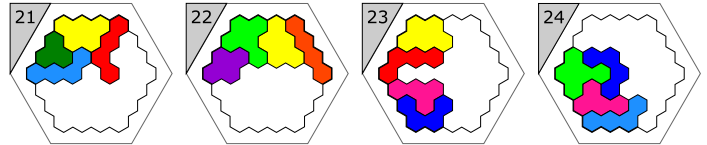

HOW TO PLAY : Empty the tray. Choose one of the puzzles. Fill the tray with the predefined blocks as per the shapes and locations given in the puzzle. Now place the remaining blocks into the tray to fill it completely.

Note: Some puzzles may have 2-4 solutions and are different from the solution shown in this manual. This is possible. Once you fill the blank of the puzzle tray with the remaining pieces, you solve it!

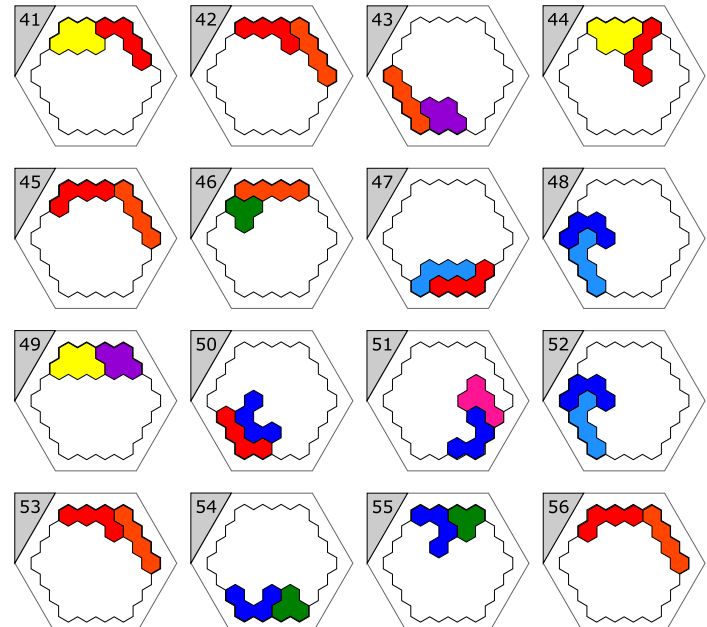

★ EASY 1 ~ 20 Puzzles

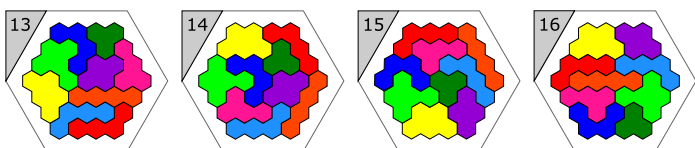

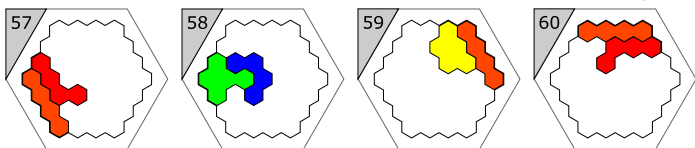

★★★ NORMAL 21 ~ 40 Puzzles

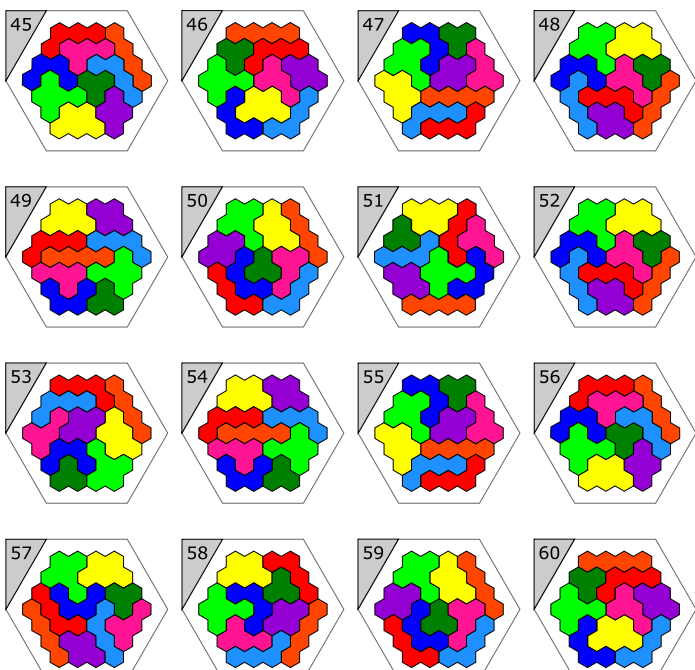

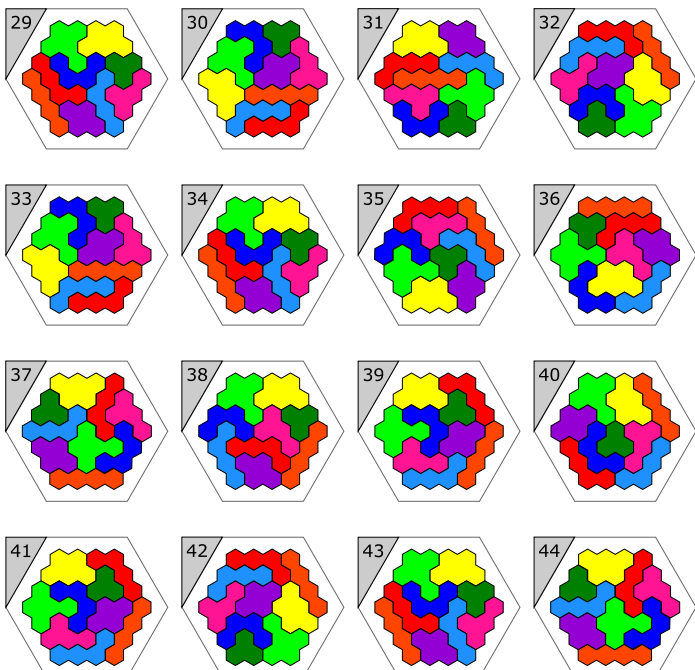

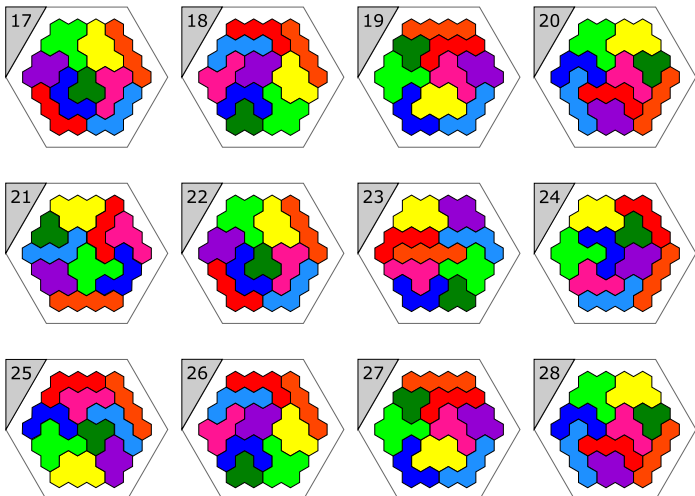

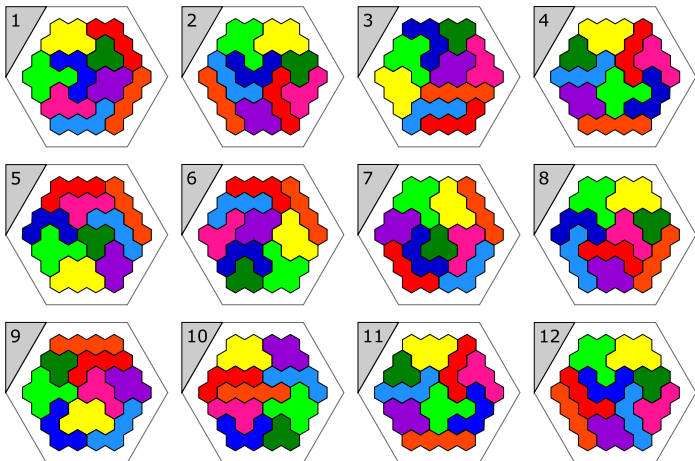

★★★★ HARD 41 ~ 60 Puzzles

Note : The color combination on the physical puzzle may be different from this manual. Play by matching the shapes of blocks given in different puzzles here.

1 ~ 60 Solutions
